Non-Voting Member Form

HE'E encourages member organizations to collaborate, share resources, and amplify their voices. HE'E is supported by member organizations, voting and non-voting, as well as individuals. Representatives of voting member organizations vote on action items while individual and non-voting participants may collaborate on all efforts within the coalition.

A non-voting member representative and individual will need to acknowledge that while they are able to collaborate and participate in all efforts within the coalition, they will not vote on action items.

_____ supports the mission and efforts of the Hui for Excellence in Education (HE'E) Coalition. _____ is the delegate to represent the organization as a non-voting member, or is an individual who wants to participate in coalition activities.
