### Voting Membership/Board Resolution Form

HE'E encourages member organizations to collaborate, share resources, and amplify their voices. HE'E is supported by member organizations, voting and non-voting, as well as individuals. Representatives of voting member organizations vote on action items while individual and non-voting participants may collaborate on all efforts within the coalition.

A voting member representative of an organization will need to show organizational support when representing the interests of the organization within the coalition and voting on action items, in the form of this resolution from their Board of Directors.

On behalf of \_\_\_\_\_ we would like to express our support for the Hui for Excellence in Education (HE'E) Coalition as a Voting Member. We have designated \_\_\_\_\_ or his or her authorized delegate to represent our organization. We understand that this endorsement does not provide absolute support for every action item, nor does it provide representative authority to vote on every action item. This endorsement will give our representative full support for participation within the Coalition.
